#### Dear Parents,

You will note that this half-term edition of the CAEA Newsletter contains a variety of announcements and events of interest. We want especially to direct your attention to our Bonfire Night, which takes place on Wednesday evening, 7 November. Please note that the proceeds from the evening will be donated to a variety of charities supported by the school.

Please note that the proceedings begin at approximately 5:30, at which time our traditional barbecue will take place. The students will be well fed, and, we note, that parents are invited to purchase the burgers and other delights. (Well, we did note that this is for charity!)

After the barbecue, many of our students will perform in our "Showcase of Musical Talents." This will involve a large number of our very talented students, and we are really pleased to note that they have been rehearsing with great gusto over the last few weeks. Do, please, come and support them.

Upon the arrival of the local Fire Department, the Bonfire will be lit shortly after 7:00. This will be a truly wonderful evening, and we do hope that the entire CAEA community will attend.

In the meantime, we do wish everyone a safe and happy half-term break.

Yours sincerely,

*Mrs Kim Salthouse*  
Head of School

*Dr Duncan Rollo*  
Principal

### This year's production is Mary Poppins

The auditions are fast approaching and will be held on the first week back after half term. Any students interested in a speaking role in the play will be issued with an audition pack. In here they will find the songs we would like them to sing for their audition. Anybody wanting a main role will be required to sing and perform a small section from the script. Auditions will be held on Friday 9<sup>th</sup> November during the school day. Links to the songs to rehearse can be found on youtube:

Child's role:

We are very excited to hear what the students have to offer and are looking forward to the audition process

**Rebecca Widdowson**  
Teacher of Music

Thank you for returning the forms. The good news is that your student is now signed up for the Duke of Edinburgh Award. I will be having discussion with the students about the different sections that will be undertaken. As you are aware the Duke of Edinburgh requires a lot of practice; therefore, I am asking students to stay from 4.00 pm -5.00pm on Thursday's to work on their expedition. Without this training students will not be able to carry out the reward. Any more information do not hesitate to contact me.

Kind regards,

Daniel Stott

## Bonfire Night – Wednesday 7<sup>th</sup> November 2018

On the evening of Bonfire Night the Student Council will be selling crisps, sweets, popcorn and glow sticks.

Thank you for your continued support.

CAEA is participating in The Samaritans' Purse Operation Christmas Child's Shoebox Project 2018. It is part of a worldwide community of many thousands of supporters.

In 2017, this Operation Christmas Child global community delivered an amazing 11 million shoebox gifts to children in more than 100 countries.

Our Unit Awards Scheme group will be helping to organise this year's collection of boxes.

As last year, we will be delivering our shoeboxes to the Processing Centre in Ipswich on the morning of Monday 19th November.

Please, could all the OCC Boxes be in school no later than Friday 16th November.

We are asking everyone in CAEA to make up a shoebox for this worthwhile cause. They are really fun to do.

Leaflets on how to do this will be available in school and in all the students' half term report envelopes.

Thank you in anticipation of your kindness.

Anne Shaul

## Art Trip

On Thursday 27th September, 1SL and 2CS art groups visited 3 acclaimed churches in the local area. They were St. Mary at Dennington, St. Mary at Woolpit and St. Andrew at Tostock.

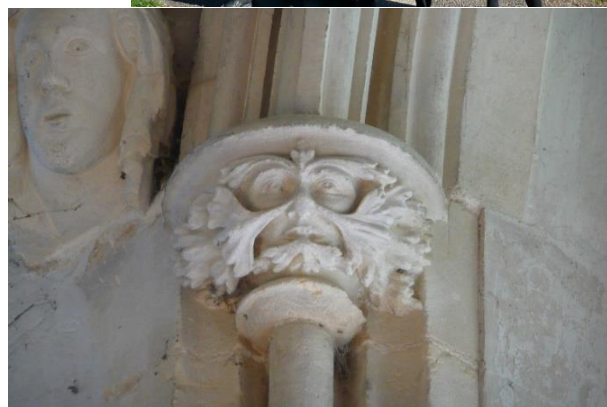

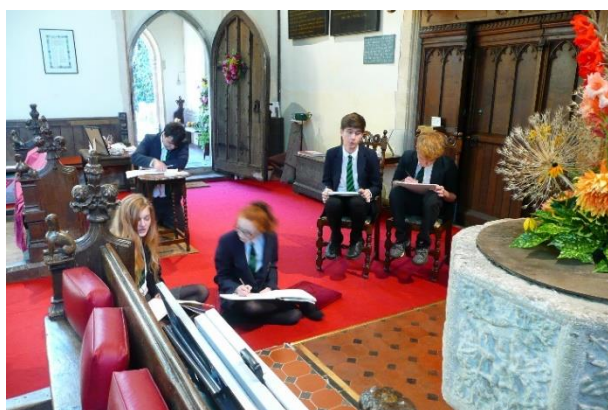

These churches had been singled out for their impressive medieval interiors that included beautifully carved bench ends and richly decorated ceilings and walls.

However, the main purpose of the visit was to discover the ancient tradition of the Greenman through its sculptural representations. Students were given the opportunity to see first-hand these remarkable ancient works of art found on fonts, pews, hammerbeams and over exterior entrances.

Students were able to use these examples as a primary source for sketching and taking photographs for recording research in their art sketchbooks. The students and staff would also like to thank Mrs Beadman for her assistance in co-ordinating the trip.

Art Teacher

## Greshams Cross Country Trip

Once again we loaded up the minibus and set off on our trek to North Norfolk for the annual cross-country event at Gresham's prep school in Holt. The weather had been glorious all week; we set off under a cloud of fog and drizzle! Fortunately the fog had lifted by the time we arrived and conditions for running were perfect. We joined the thousand or so other students and prepared ourselves for the races. All the runners did themselves and the school proud trying their best and managing to complete the course without stopping, with those who competed last year improving on their positions. The highlight of the day was seeing Bella Whall finish 15th in her race, beating nearly 300 other students.

We're already looking forward to next year's competition, and hoping for some even higher placed finishes.

Mr Steward  
PE Teacher

Student Council have been hard at work organising numerous events for the 2018/19 school year and we were delighted with

# Jeans for Genes Day

Changing the world for children with genetic disorders

the participation in raising funds for 'Jeans for Genes' day — £53.40 was raised and has been sent to aid the work carried out by the charity.

## Friday 17<sup>th</sup> November 2018

BBC Children in Need exists to change the lives of disadvantaged children and young people across the UK. Our vision is that every child in the UK has a safe, happy and secure childhood and the chance to reach their potential. (BBC, 2018)

Children in Need is fast approaching and Centre Academy East Anglia will be once again getting behind the appeal. We believe in the great work they do across the UK and think that every young person deserves the best possible chance in life. On Friday 16<sup>th</sup> November we are asking students to wear spots for a £1 donation.

We are also going to have a **SPOTACULAR** Shop where students can buy items from other students. These items will be moderately priced, and we are asking students to donate items that they no longer want or use.

Thank you for your continued support on these important matters.

Daniel Stott.  
Head of Student Council.

## Friday 23<sup>rd</sup> November 2018

We will be hosting a boot sale at the school, part of the program on our Parent Meetings Day. We are asking students to bring in old toys, gadgets and any other items to be sold within their class. Students will also have the opportunity to buy cakes and other tasty treats. All the money raised will go towards this year's school production of Mary Poppins.

Thank you for your continued support.

## General Information

### •START OF THE SCHOOL DAY

- Please remember that students are not to be dropped off at the school before 8.00 am. Prior to that staff are not in their places and we cannot therefore ensure the students security.

### •UNIFORM

- Please remember that all uniforms and casual clothes must have the student's name in, as we do collect a significant amount of lost property.

### •PARENTS OF BOARDERS

- All boarding students must have a dressing gown and slippers (or flip flops) at school.
- Aside from the obvious benefits of such apparel, the children require such protection when, for example, we have night-time fire drills, which by law we must have each term.

### •OUTDOOR CLOTHING

- During the cold months please could all students have winter clothing; wellies, coats, hats and gloves.
- During the summer months, please could students have a hat and sun cream.
- Thank you.

## Medical Reminders

If your child requires any medication, please ensure that this is handed into the office or to Mrs Beadman. Medication will need to be in its original packet along with the relevant paperwork. The item must be clearly labelled with the student's name and the instructions of administration.

Students must not be sent to school if they have a fever/sickness or are feeling ill. Students should be fever/sickness free for 48 hours before returning to school to protect other students from contact with potentially contagious illnesses. Parents will be contacted by the medical staff on duty if a child shows symptoms of illness while in school.

## REMINDERS

Please be aware that boarding staff are officially on duty on a Sunday evening at 7.00 pm. Please could any communication regarding trains or general boarding questions be made during the week and not during the weekend. Sending texts to either confirm or decline train pick up is appreciated. However, texts and phone calls which require decision-making should be made during the school week. Please also be aware that if your child requires collection from the station on a Sunday night, this should be arranged previously with Mr Thompson/Mrs Dent, as there are limited seats. The Sunday train collection is between 7.00 and 7.30 pm in order for the care staff to be back at school for the other students arriving.

Mr Thompson – Coach House:  
01449 738922/07555 416 172

Mr Stott – Main House:  
01449 736404/07847 719 073

Mrs Dent – Main House:  
01449 736404/07555 416 173

Please could all medical appointments/absences be reported before 9.00 am to the School Office. Please contact the school each day your child is absent; contact by email is fine.

If the illness is more than 5 school days we require a Doctor's Certificate.
