

## Week Gone/Week Ahead Centre Academy London 20<sup>th</sup> May 2019

### SEND NATIONAL CRISIS MARCH

#### Message from Miss Maddison:

After all the activities of the past couple of weeks, this week has been quiet in terms of external trips and visits. However, this week has marked the start of our GCSE exams. I would like to thank all students so far for the sensible way they have managed the room moves and the supportive way they have managed noise around the building.

Next week is our last week before half term - and School will not be open from Monday 27<sup>th</sup> May to Friday 31<sup>st</sup> May. All students will be expected back in School by 8:15am on Monday 3<sup>rd</sup> June 2019. A reminder of next half term's key dates is at the bottom of this page.

I hope that everyone has an enjoyable weekend and look forward to an equally successful exam week next week!

Regards  
Miss Maddison

Two parents of SEN children have organised an online petition as well as a number of nationwide marches to tack the Governments constant budget cuts in Education, especially to that in SEN.

There is a London march taking place on 30<sup>th</sup> May when a petition will be delivered to Downing St.

We know that a number of parents may be interested in the march and more information can be found at:

Our Winning House Group this week is

# Wandle

well done to everyone for all their hard work this week!

#### Upcoming Dates:

<b>Half Term:</b>	Monday 27 <sup>th</sup> – Friday 31 <sup>st</sup> May
<b>Art Fair:</b>	Thursday 20 <sup>th</sup> & Friday 21 <sup>st</sup> June
<b>Science Fair:</b>	Friday 21 <sup>st</sup> June
<b>Graduation Day:</b>	Friday 28 <sup>th</sup> June
<b>End of Term:</b>	Friday 5 <sup>th</sup> July 2019

We were approached this week by London Fire Brigade, who have invited all to an upcoming Open Day at Battersea Fire Station. The open day is being held in conjunction with the Falcon Road Festival, which will be held on Saturday 29<sup>th</sup> of June between 11am- 4pm.

The firefighters will be on hand giving fire safety tips, arrange free smoke alarm fittings as well running rescue demonstrations.

**This Week's Reminders:**

As mentioned last week, please take the time to complete the online cyber safety training programme.

Please ensure your student carries a bottle of water with them all times. Given the weather is getting warmer, we are very conscious of the need for all students to stay hydrated.

We have noticed a number of students have been coming later and later every morning. We understand traffic and train delays may account for some lateness, but having students waking up later and leaving earlier will not be accepted.

Please ensure your son/ daughter are in full uniform at all times.
