

## Week Gone/Week Ahead Centre Academy London 26<sup>th</sup> April 2019

### Message from Miss Maddison

Although this has been a short week this week, we have packed a lot in. Not only have GCSE exams started but preparation was underway for the residential trip to East Soar next week.

It has also been enjoyable hearing about the exciting and interesting things our students and staff did over the holiday.

Looking forward to next week: students in School will have some classes amalgamated, as many students will be away. We also have a parents' information evening for our GCSE parents to explain a little more about post-16 options. An email has been sent out separately about this.

I wish you all a sunny weekend and look forward to seeing everyone back for a full week next week.

### RESIDENTIAL 2019

This year's Residential Trip to East Soar will be taking place the week of the 29<sup>th</sup> of April.

We know all our students will have an excellent time and will create many wonderful memories during this action-packed week!

Our Winning House Group this week is

Effra

Well done to all in this house group for all their hard work this week!

Last term's Readathon for World Book Day was a massive success, with a total of £619.10 raised for literacy projects in Children's hospitals around the country. A special congratulations to Khyan for receiving the prize in School for his involvement in reading over the 3 weeks.

For all who got involved, a massive 'thank you' from all here at Centre Academy London!

This Week's Reminders:

- All students to be in full uniform, including a school tie, at all times when at school.
- Students to bring their own refillable bottle, plastic cups will no longer be provided by the office.
- As per our healthy eating policy, all students are reminded to bring a nutritious lunch as well as a suitable snack for the early break period.
- All students to arrive at school between 8am and 8.15am, support from parents is greatly appreciated.
