

Week Gone/Week Ahead - 20th September 2019 Centre Academy London

Dear Parents/Carer/Students and Staff

This has been a busy week with our first trip of the year and our first charity event. The High School Diploma students (and teachers!) enjoyed their theatre trip to see the 'Play that Went Wrong' especially the slapstick comedy elements! The charity event was a non-uniform day as part of Jeans for Genes day. We will be able to reveal how much was raised next week.

As well as these events, we also posted letters to parents/carers about flu vaccinations. This is available for all students who are under 18. The letter contains information about the vaccination – by nasal spray – and a consent form. Please can these be returned by next Tuesday (24th September) even if you do not want your child to be vaccinated. The vaccination date may change from Monday 30th September to Thursday 3rd October and we will confirm this next week.

Next week we will be mailing out the parent/carer handbooks. These contain much of the information you will have seen in the student handbook, as well as other key information. I know that many parents/carers have found these to be a useful reference source through the year.

I hope that the sunshine continues over the weekend and look forward to seeing everyone back on Monday!

Miss Maddison

Water Bottles

We have all be enjoying the warmer weather this week; however, it is important – especially when it is sunny – for students to bring refillable water bottles to school. Despite reminders, several students do not have them, and this will mean they struggle to stay hydrated.

Upcoming Dates

Tuesday 24th September 2019:
Flu Vaccination forms to be returned

Date to be confirmed:
Flu Vaccinations administered

Monday 21st to Friday 25th October 2019:
Half Term

Friday 13th December 2019:
Last Day of Term

The house with the most points this week is:

Wandle

Congratulations to them and well done to all students for their hard work over the week.
