

Week Gone/Week Ahead - 8th November 2019 Centre Academy London

Dear Parents/Carers/Students and Staff

I have just finished watching some great photos being taken during our annual photo day. Both individual and mentor groups have been taken and we will send out information about how parents/carers can purchase these when they have been processed.

Also this week, we had our parent/student Art workshop. Those attending found out more information about Gauguin – and then had the challenge of painting each other using Gauguin's style! Thank you to Miss Kiss, and all the attendees, for a fun afternoon.

Healthy Food

Please remember to ensure that packed lunches are healthy – for instance, chocolate, chewing gum, crisps and fizzy drinks are not allowed.

Please note that this includes food bought on the way to school – or bought at break/lunchtime if students have offsite privileges – as well as food packed in lunches from home.

I am looking forward to a slightly less busy week next week so that we can begin preparing for mocks. This year's GCSE students will be sitting their mock exams in November and we know that this causes anxiety for them and for other students who have to move rooms to accommodate the exams.
