

## Week Gone/Week Ahead - 1<sup>st</sup> November 2019 Centre Academy London

Dear Parents/Carers/Students and Staff

I was pleased this week to see everyone return on Monday ready for another busy half term. I have also enjoyed hearing about the activities that students and staff enjoyed during the week away!

This week has seen the end of October and the beginning of November – an exciting time of year for many students. Halloween does not often fall during term time – it is usually during half term. So, when a student suggested that they be allowed to wear costumes and raise money for charity – we felt that this was a fun idea.

### Upcoming Dates

Friday 8<sup>th</sup> November:  
School Photos

Friday 13<sup>th</sup> December 2019:  
Last Day of Term

on that day. For students who have lost school ties – these are on order and should arrive in time for Friday. Please make sure you have purchased a replacement from the School Office before then.

Have a wonderful weekend!  
Miss Maddison

### Occupational Therapy

We are pleased to announce that Ms Olivia Simmons started this week. Ms Simmons will be working as Occupational Therapist while Ms Rivera is on maternity leave.

I am also pleased to announce that Ms Rivera gave birth to a baby boy over half term. We would like to take this opportunity to congratulate her and wish her all the best over the coming months.

Thank you to all students and staff who dressed up. The student with the winning costume was Gabriela – well done! She will now be selecting the charity we donate our collection to. We took some pictures to commemorate the event – some of these are included on the next page.

Next week, on Friday, we will be having a School Photo day. Can all students please make sure they come to school looking smart

The houses with the biggest point total this week is:

# Falcon

Congratulations to them for winning and well done to all students for their hard work over the week.

Happy  
Halloween!
