

Week Gone/Week Ahead - 10th January 2020 Centre Academy London

Dear Parents/Carers/Students and Staff

I am starting – as is traditional – by wishing everyone Happy New Year! We welcomed students back to School this Tuesday for an enjoyable start to the term – although I am still not used to writing 2020 on the board!

As you will know, Ms Marriott – our Speech and Language Therapist – left at the end of term. Many students had the opportunity to meet our new Speech and Language Therapist before we broke up and she will be starting with us before Half Term. Until then, we have Ms Le Gear, who will be with us on a locum basis to ensure that Speech and Language sessions run as normal.

Next week the NHS service will be at School to give Year 9 vaccinations. Information – including consent forms – will be sent to those involved.

Finally, can I remind all parents/carers to ensure that students have warm coats and outerwear. While it has been a mild start to the year, we would like to ensure that students have clothing suitable for the colder weather that may be coming.

Have a wonderful weekend, see you all on Monday for our first full week of term!
Miss Maddison

Parent Conferences

Our parent conference afternoon will be held in the week before half term (Wednesday 12th February). This is an important event in our calendar – we usually have 100% attendance from parents! – and an opportunity for you to discuss your child's progress with individual subject teachers.

Students will be dismissed early on this day (at 1:10pm) so please inform transport companies and make a note in diaries! More information will be sent next week.

Upcoming Dates

Thursday 16th January 2020:
Year 9 DTP and MenACWY Vaccinations

Wednesday 12th February 2020:
Parent Conferences

Monday 17th – Friday 21st February 2020:
Half Term

Friday 27th March 2020
End of Term

The house with the biggest points total this week is:

Falcon

Congratulations to them for winning and well done to all students for their hard work over the week.
