

Week Gone/Week Ahead - 24th January 2020

Centre Academy London

Dear Parents/Carers/Students and Staff
The weather this week has been less wet and windy – and we are hoping that this means we will have a settled weekend.

Following on from my information last week about Middle School swimming sessions, the Latchmere Pool is still closed while they are putting in place repairs to their roof. We do not currently have a date by which this will be completed. This means that there will be no swimming on Friday until further notice. Instead, on Fridays, Middle School students will be doing activities and will be going offsite to a local park (weather dependent!). Middle School students will not need to bring in swimming kit and should instead bring in warm weather PE kit and trainers on Fridays.

Posters have gone up around the School this week about how the School is going to 'beat heartbreak forever' on February 14th. More information about what this means and this half-term's charity campaign next week!

We still have a couple of Parent Conference forms that have not been returned regarding attendance on the 12th February. Please send these in as soon as possible or call the Office for more information.

Happy Chinese New Year!
Miss Maddison

Personal Property

We will be talking to students in Monday's assembly about a recent incident in which an Oyster Card was taken from a student's pocket. While this was ultimately returned, we do take these things seriously and it is important to discuss this with students.

As part of this discussion we will also be talking to students about how they can help keep their personal property safe. We are taking this opportunity to also reiterate that students should not be bringing valuables to School and mobile phones should be handed into mentors in the morning so they can be safely locked away.

Upcoming Dates

Wednesday 12th February 2020:
Parent Conferences

Monday 17th – Friday 21st February 2020:
Half Term

Friday 27th March 2020
End of Term

Tuesday 21st April 2020
Students return to School

The winner of the house point competition this week is:

Wandle

Congratulations to them for winning and well done to all students for their hard work over the week.
