

## Week Gone/Week Ahead - 28<sup>th</sup> February 2020 Centre Academy London

## Cold Weather!

Please remember to send students in with coats/jackets. Scarves and gloves are also useful – especially on days when students are out and about in the local community e.g. on PE days.

A reminder that food can be heated at School – we have microwaves available for students who want hot food in the middle of the day.

## **Upcoming Dates**

Friday 27<sup>th</sup> March 2020 End of Term

Monday 20<sup>th</sup> April 2020 Inset Day – staff return to School

Tuesday 21<sup>st</sup> April 2020 Students return to School

Monday 25<sup>th</sup> – 29<sup>th</sup> May 2020: Half Term Dear Parents/Carers, Students and Staff Welcome back from Half Term! Despite it being the first week back, some students did venture out into the cold, with the HSD Theatre Studies group going to see Leopoldstadt at the Wyndham Theatre.

Next week the Ginza class group will start regular visits to the local library and on Thursday the whole School will celebrate World Book Day by spending at least part of the day with our collective heads buried in a book!

I know that it has been a difficult week for many due to concerns about coronavirus. We are monitoring local and government guidance closely and our advice to the parent community will be updated as necessary. Meanwhile, we need to ensure that everyone in the CAL community is aware of how easy it is for misinformation to be spread and the distress that this can cause many of our young people. I therefore want to remind all parents/carers that although the government has raised the UK risk level, the Chief Medical Officers still believe the risk to individuals is low.

Earlier this week we sent round an email to explain our procedures should the School need to close. These procedures are in place in the event of closure for any reason and they will be updated as necessary.

Have a restful weekend! Miss Maddison
