

## Week Gone/Week Ahead - 7<sup>th</sup> February 2020 Centre Academy London

### **Beating Heartache**

Valentine's Day usually falls in half term. The Hammersmith and Bakerloo students – with some artistic help from Simone – are going to celebrate the day by raising money for the British Heart Foundation.

In addition to the usual Mufti Day, we will also be running a Valentea Shop during the last period of the day, selling hot and cold drinks, cakes and healthy treats. We would be delighted to receive donations – home-baked or bought – to sell on the day (as long as they are nut-free!).

There will also be Baking Competition, with prizes for Middle and Upper School Entrants.

As well as conducting research about heart and circulatory conditions, the BHF is currently campaigning to improve air quality in the UK, and this is a subject close to our hearts – literally! – because of the high levels of pollution in Clapham Junction. You can add your name to their lobbying campaign here:

Dear Parents, Carers, Students and Staff

Next week is our last week before half term. On Wednesday 12<sup>th</sup> February we have our parent conference afternoon. Students will be dismissed at 13:10 on that day. They will need to be picked up at this time and there will be no provision onsite for them – or for siblings – during the conferences, so please arrange childcare accordingly.

Also, on Friday 14<sup>th</sup> February – our last day of School – we will be having a charity day, more information from Miss Louis is included here.

Have a wonderful weekend!

Miss Maddison
