Students return to School

Dear Parents/Carers, Students and Staff
Happy Valentine's Day! This is our last Week Gone/Week Ahead for this half term. There will be no school next week and both students and staff will be returning on Monday 24th February 2020 at usual starting times.

Last week we had a wonderful day out with a mixed group of Middle and Upper School students. This was to the Globe Theatre where students had a tour and workshop – which included the opportunity to be on-stage! It was a fantastic day and Sarah, our guide, was incredibly impressed with all the students. They engaged in the workshop activities and asked inciteful and interesting questions about the theatre.

This week, as well as having parents' evening, we mark the end of the half term with a heart-filled charity event. Our Upper School organised the event to raise money for the British Heart Foundation and our students have been baking up a storm ready for the bake-off competition and bake sale. Thank you to all parents/carers who have supported students both by giving over kitchen space to the creations that arrived in School today and by provided goodies that can be sold. Special thanks also goes to Ms Louis for organising the event, it was a wonderful way to end the half term.

Also today, some of our students performed a short play in assembly. 'George to the Rescue' was written by Mr Jeffrey and performed by a wonderful troupe of actors. We are looking forward to more performances next term – and hope to include some opportunities for parents/carers to watch some of the action.

Have a wonderful half term break!
