

Week Gone/Week Ahead - 6th March 2020

Centre Academy London

Coronavirus

We talked with the students in assembly on Monday regarding Coronavirus. I reiterated that it was important not to be overconcerned but that we all needed to be cautious. I reminded them about the importance of hand washing and being hygienic when sneezing or coughing.

We will continue to monitor and follow all Government guidance and update our procedures as necessary.

Monday 25th – 29th May 2020:
Half Term

Dear Parents/Carers, Students and Staff

This half term seems to be going very quickly and we now have only three weeks to go until the end of term!

I thought it would therefore to be sensible to give some information about our Spring reports. This will explain the process in detail for new parents/carers and act as a reminder for returning parents/carers.

We provide three reports to parents/carers a year. In the Autumn Term and Summer Term this includes academic progress information as well as comments from each teacher. In the Spring Term, while we provide academic progress information for individual subjects, we do not include teacher comments. Instead we provide more detailed information from the Therapy team about how each student is progressing.

These reports will be sent out at the start of the Easter break, with the exception being reports for our Victoria class. These students are taking their GCSEs this year and will only have one more report. This will be a full End of Year report including individual teacher comments and it be sent out towards the start of the Summer Term.

Should you have any questions regarding this please call the office for information.

Have a restful weekend!
Miss Maddison

The winner of the house point competition this week is:

Falcon

Congratulations to them for winning and well done to all students for their hard work over the week.
