

Week Gone/Week Ahead - 24th April 2020 Centre Academy London

Dear Parents/Carers, Students and Staff

Welcome back to a very unusual start of term! Usually as I type the newsletter, I am getting ready for assembly and can hear the sounds of learning coming from nearby classrooms. Today, we have far fewer students and staff in school, so the sounds of learning are more remote – although those students here onsite are doing their best to keep us entertained!

There have been several emails from me over the past couple of weeks and I know how easy it is to miss information so I thought that I would take this opportunity to reiterate some of the key points from the communication so far this term.

The first piece of information is that the School is open, although the majority of students are being supported through the Learning from Home Programme. We are setting work through School email accounts and also in Microsoft Teams. Should any student not be able to log into these applications, please contact Mrs Yar on syar@centreacademy.co.uk

We have minimal staff onsite but we are manning the School Office from 9:30am to 1:30pm, please call if you have any questions or concerns. Should we not answer, please leave a message and we will get back to you. Likewise, should you wish to contact the School please use the LondonSchool@centreacademy.co.uk email address as this is being monitored daily.

We find ourselves in an unprecedented situation and we know that it will be a difficult and stressful time for students and families. Please keep in contact with your child's mentor to let us know how you are doing and what additional support would be helpful.

Wishing you all a safe and healthy weekend.
Miss Maddison
