

Week Gone/Week Ahead - 22nd May 2020 Centre Academy London

Dear Parents/Carers, Students and Staff,

Next week is half term and so the School will be closed for the week. It is important, given the stressful conditions in the world at the moment, that everyone in the Centre Academy London family takes this opportunity to recuperate. The hard work that you have all put in over the half term has been awesome and the downtime is much needed.

Our Learning from Home programme will begin again on Monday 1st June and our onsite provision will open on the same date for our current cohort of onsite pupils. I know that this date has also been in the news as the date from which Primary Schools may gradually reopen. While this does not impact us here at CAL, we wanted to ensure we had our own plans in place for after half term. To this end we would like to thank parents/carers and staff for completing our recent survey. This has given us a much clearer picture of how we are currently placed, and we appreciate you taking the time to provide your thoughts. Dr Rollo and I will write separately to explain in more detail how we are approaching the next half term, and this will be sent out as an email in the near future. Please note, however, there will be no change immediately following the break and the same students will be attending onsite vs Learning from Home.

Enjoy the break and I look forward to welcoming students to our virtual school after half term,
Miss Maddison
