

Week Gone/Week Ahead - 5th June 2020 Centre Academy London

Dear Parents/Carers, Students and Staff,

Welcome back! I hope that everyone was able to have a restful and relaxing half term. The weather was certainly on our side!

It has been lovely to hear from both students and staff this week about the new and exciting things that are being learnt in homes across the capital. If any other families are looking for suggestions for activities, please do let us know and we will try and share ideas around.

As we discussed in the letter that we sent over the break, the majority of our students will continue with our Learning from Home programme this half term. We are looking now at how we can follow the government guidance and establish more face to face contact with students who will be taking GCSEs next year – we will be in touch with regards to any plans as they are implemented.

Following our parent/carer questionnaire before half term, should there be any changes to preferences or family circumstances please do get in touch. The office continues to be open from 9.30am to 1.30pm daily for phone calls and emails can be sent to LondonSchool@centreacademy.co.uk.

I hope that you all have a lovely weekend – in spite of the slightly cooler weather,
Miss Maddison
