

Week Gone/Week Ahead - 25th September 2020 Centre Academy London

Dear Parents/Carers, Students and Staff,
I know that I have been in contact this week to remind you all that we are transitioning to longer school days from next week. We made some small adjustments to the timings that were sent out at the start of term and so from **Monday 28th September** these will be the timings for **all students**:

School starts at 8:30am
School ends at 3:00pm

The **Arrival Gate** will be open from
8:15am to 8:30am.

Upcoming Dates

Monday 26th October – Friday
30th October 2020:
Half Term

Friday 11th December:
End of Term

Included in my email earlier this week was details of a new parent/carer questionnaire to capture your views about the start to the year. Please do take the time to complete this before next Tuesday as it would be helpful to get your opinions – especially given the current nationwide increase in COVID-19 cases.

I also wanted to take the time this week to reiterate our rules regarding wearing masks in school. All staff and students – except those with an exemption – are required to wear masks in corridors. They are also required to wear them when social distancing is not possible (e.g. if they talking face to face in the yard at lunchtime or if a teacher is handing out work). Students do not have to wear masks when socially distanced in the yard or when sitting at their desk working – although some students and staff do choose to wear them at these times too.

Finally, please remember if any student – or a household member - has any of the following symptoms:

- a continuous cough,
- a high temperature, or
- loss/change to the sense of taste or smell.

Please contact the office before coming into School.

I would like to wish you all a safe and relaxing weekend,
Miss Maddison

Masks

Just a reminder that all students should bring in a mask daily.

While we do have some masks onside should masks break, all students should be bringing their own as these will usually fit better.
