

Week Gone/Week Ahead - 13th November 2020 Centre Academy London

Dear Parents/Carers, Students and Staff,

Further to my email on Wednesday, next week we are moving onto a reduced in-school provision for some classes. It therefore seemed sensible for me to focus on this in my newsletter this week.

Upcoming Dates

Friday 11th December:
End of Term

When we moved to our Virtual Learning Programme in the summer term, our main aim was to be as flexible as possible for families. We are planning for our Learning from Home days this term to be a little different. As far as possible, we would like these days to have a structure that is more consistent with their in-school timetable. As such, the new timetables will include lesson timings for these days, including having a mentor time at the start and end of the day. I have included timetables for these days in this newsletter in order to help with this process.

During these 'lessons' teacher support will be available and work will be sent to students through Teams or Email. Work can also be returned by students in the same way, which will allow extension or support work to then be issued. Some teachers may also choose to give students paper based-activities on their in-school days to work on during their lessons at home.

We know that for many families 'homework' can be a real pressure point and a source of conflict. We want to reduce this as much as possible and to this end, should there be concerns or pressure points during these working from home days, please contact your child's mentor. They can support by liaising with individual teachers and reinforce, on the days that students are in school, with expectations for virtual learning.

As a reminder, I intended for this timetable to be in place from Monday 16th November to the end of term, Friday 11th December. Please contact me with any questions.

I would like to wish you all a safe and relaxing weekend,
Miss Maddison

Win a Playstation 5!

Tickets for the raffle can next be bought by students between Monday 16th November and Thursday 19th November and the draw will take place on Friday 20th November.
