

Week Gone/Week Ahead - 11th December 2020

Centre Academy London

Dear Parents/Carers, Students and Staff,

Today is our last day of term and so I would like to begin by wishing all staff, students, parents, carers and families a wonderful Holiday. I hope that you are all able to have a relaxing and restful time despite the complexities that COVID is causing to plans.

We will be expecting all students back in school on Tuesday 5th January 2021 and, as a reminder, we will maintain our current timetable for at least the first two weeks of next term. This means that students who currently Learn from Home on either Friday or Monday will continue to do so at the beginning of the Spring Term. We will review this at the start of the New Year and, should transmission rates be low enough, we will move back to a full-time in-school timetable at that point. We will also continue our non-uniform policy for at least the same period.

On Monday 4th January, I will send out a questionnaire to everyone in order to check that there are no COVID related reasons that individual students or staff will not be able to return on the 5th January as planned e.g. holidays in countries outside the air corridor. Please ensure that you respond to this survey promptly when it arrives so that we can ensure our Spring Term is as safe as possible for staff and students.

As you know, over this half term, our Tuileries class have been collecting shoeboxes and donations for the Operation Christmas Child appeal. They managed to fill 17 shoeboxes with gifts and these were delivered yesterday to the collection zone. Well done to them!

Finally, please find on the next page information from Wandsworth's immunisation team for those students who were absent when the flu vaccination team were in school.

I would like to wish you all a Merry Christmas, a Happy Hanukkah, Season's best and a Wonderful New Year.
Miss Maddison

To the Parent/Guardians:

If you would like your child/ren to have their annual flu vaccination there will be another opportunity for them to have it in clinic with the school immunisation team.

Your child may have missed the vaccination due to one of the following reasons below:

- Your daughter/son was unwell on the day.
- Your daughter/son was absent from the session.
- The consent form was incomplete / has a health query
- Was too nervous without a parent or guardian present.
- There was not a form returned to school in time for the session.

There will be a catch up clinic on Monday 14th December 2020 at 2pm to 4.30pm

The clinic is a drop in and will be held at the Yvonne Carr Children Centre, 2 Thessaly Road, London SW8 4HT.

Please contact our team if you would like to discuss this further. Please note the flu vaccine is not routinely offered at the GP's as it is a school based programme.

Yours sincerely,

Rushelle Grant
