

## Week Gone/Week Ahead - 29<sup>th</sup> January 2021 Centre Academy London

Dear Parents/Carers, Students and Staff,

As you will all no doubt have heard, the Government has now provided additional information about when it might be safe to reopen school buildings to more students. We now know that this will not be until at least 8<sup>th</sup> March.

I am grateful for the support of parents, carers and families in ensuring that the vast majority of our students have continued making significant progress while Learning from Home; however, I am aware that the extension to this programme will add to the pressure placed on us all. The structure we have provided in the Learning from Home Programme helps by giving students a timetable to follow. We will also be increasing the number of Live Lessons starting week and this will help by giving additional 'face to face' contact with teachers and peers. New timetables showing these lessons are being sent to parents, carers and students today and these lessons will begin from Monday. Please do also keep in touch with your child's mentors if there are issues or stressors on any particular day so that we can continue working together to support students over the coming weeks.

We would usually have a Parent-Teacher conference this half term. This has, of course, been postponed and we will provide details after half term for how we will enable this key communication channel to take place.

This week our Tuileries Recommends feature is from the film enthusiast in the class, we hope that you have been finding this section enjoyable!

Miss Maddison

### Upcoming Dates

Monday 15<sup>th</sup> – Friday 19<sup>th</sup> February:  
Half Term

Friday 26<sup>th</sup> March 2021:  
End of Term

Student of the Week certificates have been awarded to those students who have been particularly strong in individual subjects. These students also receive five House Points – well done to them for their fantastic work.

Certificates have been emailed to students together with their parents or carers so that they can share in their child's success.

## Tuileries Recommends

Kurt, our class movie enthusiast is sharing his recommendations for movies to watch.

---

I have been watching the Harry Potter Films (yes all of them, 1 to 8) with my family during the lockdown.

We would close the curtains in the living room to make the room darker and we would make some popcorn – like we were at the cinema.

We have watched them before, a long time ago, so it was great to watch them again. We watched one every day for 8 days and it was great way do something as a family.

From Kurt

The winner of the house point competition this week is:

# Falcon

Congratulations to them for winning and well done to all students for their hard work over the week.
