

Week Gone/Week Ahead - 12th February 2021

Centre Academy London

Dear Parents/Carers, Students and Staff,

It is half term next week and I would like to start this newsletter by reminding everyone to take time over the break to relax. I have been so impressed with how well our students and staff have responded to the challenges of this term – it has not been an easy task. The progress that has been made would not have been possible without the support of our families – and so I would also like to extend my thanks to them for their help.

Upcoming Dates

Monday 15th – Friday 19th February:
Half Term

Friday 26th March 2021:
End of Term

We have a bumper crop of Student of the Week awards this week, which shows that our students are continuing their hard work despite this being the last week of the half term. Well done to them – and indeed all our students – as we also have a record number of house tokens awarded!

We are taking a break from our Tuileries Recommends feature this week; however, it will continue after half-term. In its place, I wanted to share some of the artwork from our High School Diploma students. They have been producing sketches of their environment and then, using these sketches to 'zoom in', they have created detailed abstract sketches. Our onsite students have then used these to produce Lino prints. I have included these prints from SS and TW for you to enjoy.

Have a wonderful weekend!
Miss Maddison

Student of the Week certificates have been awarded to a record number of students this week, who also receive five House Points. Well done for your fantastic work this week, certificates have been emailed to you. Your parents or carers have also been copied into the email so that they can share in your success.

Lino Print by TW

The winner of the house point competition this week is:

Effra

Congratulations to them for winning and well done to all students for their hard work over the week.
