

## Week Gone/Week Ahead - 26<sup>th</sup> February 2021

### Centre Academy London

Dear Parents/Carers, Students and Staff,

Firstly, welcome back to all students after Half Term. I hope that you and your families were able to spend some time relaxing last week.

Secondly, I hope that all parents and carers received the emails we sent yesterday. These provide details about the move from Learning from Home to Learning from School. We are very much looking forward to having all students back in the building but know that this may be a difficult and anxious time for many.

Just to reiterate some of the key points, Friday 5<sup>th</sup> March will be an inset day with students then returning on either Monday 8<sup>th</sup> March or Tuesday 9<sup>th</sup> March (depending on their teaching group). For at least the remainder of this term students will be in non-uniform; however, warmer layers may be needed due to the increased ventilation in classrooms and please continue to ensure that your child brings a clean mask to school daily. I will be sending an email next week to ask for parental consent for Covid-19 testing to take place onsite, so please watch out for this on Monday or Tuesday. Should you have any questions or concerns, please do call me. We are keen for this to be as smooth for students as possible.

Finally, please see the last page of this newsletter to see information about our involvement, along with many of the Borough's Schools, in Operation Encompass.

Have a wonderful weekend!  
Miss Maddison

#### **Upcoming Dates**

Friday 5<sup>th</sup> March 2021:  
Inset Day

Monday 8<sup>th</sup> March or Tuesday 9<sup>th</sup> March:  
School building reopens for all students

Friday 26<sup>th</sup> March 2021:  
End of Term

Tuesday 20<sup>th</sup> April 2021:  
Start of the Summer Term for students

The winner of the house point competition this week is:

# Falcon

Congratulations to them for winning and well done to all students for their hard work over the week.

We understand this lockdown is a particularly difficult time for us all and having to spend so much time at home can be very difficult. We at Tuileries have been finding various ways to stay entertained, between cooking, gaming, catching up with our favourite TV Shows etc. This segment lists our recommendations to help us through the next number of weeks.

---

DT, one of resident gamer has shared his views on some of the best online games to play. He is particularly keen on playing the game Fortnite.

With Fortnite you can play many different games. I play this on the Xbox One.

It is a fun way to pass the time and a great way to connect with friends during the lockdown.

By DT

Student of the Week certificates have been awarded to students this week, who also receive five House Points. Well done for your fantastic work, certificates will be emailed to you.

Dear Parent/Carer,

The school has been given the opportunity to take part in a project that will run jointly between schools and the Metropolitan Police Service. This project is known as Operation Encompass.

Operation Encompass is the notification to schools that a child (under 18) has been exposed to, or involved in, any domestic incident. This will ordinarily be done by the start of the next school day.

Operation Encompass will ensure that a specially trained member of the school staff, known as a Designated Safeguarding Lead (DSL), is informed. The DSL can then use the information that has been shared, in confidence, to ensure the wellbeing of the child.

The school may be able to make provisions or adjustments to assist the child and their family.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.
