

## Week Gone/Week Ahead - 19<sup>th</sup> March 2021 Centre Academy London

Dear Parents/Carers, Students and Staff,

With next week being the last week before the Easter Holiday, I thought that I would confirm the current plan for students in the Summer Term.

All parents and carers received their child's Summer Timetable as part of the return to School email earlier this month. The majority of students – with the exception of the Diploma group – will revert to 5-days a week once they return in the Summer. We will be continuing with non-uniform, although students who prefer to wear uniform are welcome to do so. We will also continue with the current timings, 8:30am to 3pm and the gate will open at 8:15am.

Lateral Flow testing for students has continued this week and we are now getting in touch with parents whose child has completed three lateral flow tests onsite. At this point parents and carers are being given the opportunity to continue testing for Covid-19 at home. Should parents or carers have questions about this, please do contact the school and let us know.

Have a wonderful weekend!  
Miss Maddison
