

Week Gone/Week Ahead - 23rd April 2021 Centre Academy London

Dear Parents/Carers, Students and Staff,

Welcome back to the start of the Summer Term! It has been lovely to catch up with students this week and we are all hoping the term that can progress in a more settled way than we have had so far this year.

Please be assured that Covid-19 precautions will remain a priority; however, we hope – as this term progresses – to begin to include some of the important elements of school life that have, so far, not been possible this year.

To this end, we will be starting some careers work with our Foundation Classes. This will take the format of 'A Day in the Life of' sessions from people in a range of different occupations. These will either be held remotely or, where possible, in person (in an appropriately socially distanced way). The first session will be with the Manager from a local supermarket who is coming in to talk next week.

Upcoming Dates

Friday 28th May 2021:
Last Day onsite for GCSE (Parmentier) students.

Monday 31st May – Friday 4th June:
Half Term

Friday 2nd July 2021:
Inset Day

Friday 9th July 2021:
End of Term and (hopefully!) Sports Day

We will also be hoping to restart our trips to the library for our Tuileries group – the first of these was held in March 2020, a week before the first lockdown – so we have been waiting a year to be able to return our borrowed books!

This week, I would also like to thank Dons Action Group for their delivery of Easter Eggs at the end of last term. These have been here waiting for students to return this week and were a lovely surprise for them on their first day back.

As this week is a short week, I will not be awarding Student of the Week awards this week, but will resume sending these out next Friday.

I hope that you all have a wonderful weekend!
Miss Maddison
