

Week Gone/Week Ahead - 30th April 2021 Centre Academy London

Dear Parents/Carers, Students and Staff,

It seems sensible to start today's newsletter by reminding everyone that this is a Bank Holiday weekend – so please do not come to School on Monday! Staff and students will next be in on Tuesday 4th May 2021.

This week we have been pleased to be able to restart some of the extra-curricula elements that are so important to school life. Colin Austin, the manager of a local Sainsbury's, came into school to tell us about 'A Day in his Life'. This is the first in series of talks to give students an idea of the vast range of jobs and occupations available. Colin spoke to our Middle School and Foundation Classes all of whom enjoyed the session. Jake in our Laumiere described the session as 'extremely insightful' and Joe in Chatelet said it was 'epic'!

Next week we will have the second of these sessions and a member of the fire department will be coming into school to talk about 'A Day in her Life'.

This week I have resumed our Student of the Week awards and House Point competition. As it is still not sensible to have whole school assemblies I will still be sending out certificates for Student of the Week electronically.

Finally for this week, a reminder that should students and staff run out of Lateral Flow home testing kits, please contact the office. Shirley will then provide replacement kits.

I hope that you all have a wonderful Bank Holiday weekend!
Miss Maddison

Upcoming Dates

Friday 28th May 2021:
Last Day onsite for GCSE (Parmentier) students.

Monday 31st May – Friday 4th June:
Half Term

Thursday 24th June:
