

Week Gone/Week Ahead - 21st May 2021 Centre Academy London

Dear Parents/Carers, Students and Staff,

The newsletter this week comes from a very windy St John's Hill! However, despite the wind and rain we have still had a full week.

Our 'Day in The Life of' talk, which will take place this afternoon, is from three members of the police force. They will be speaking to students about their jobs and also other occupations that are involved in supporting the police.

Next Thursday we have the Immunisation Team coming to School for Year 8 and Year 9 HPV vaccinations. Parents of these year groups have been emailed, please can you have the completed forms in school on Monday. Next week is also our final week before half term – and next Friday 28th May is the last day in School for our GCSE class (Parmentier). All other students will be back on the 7th June 2021 for the second half of the Summer Term. While we will not be able to have some of our usual Parent events (like our Science and Art fairs), we are still hoping that lockdown measures will ease according to the current timetable. This will mean that our Sports Day will be able to run as planned. More information on this will be provided once we are able to confirm this.

I hope that you all have a wonderful weekend!
Miss Maddison

Student of the Week certificates have been awarded to students this week, who also receive five House Points. Well done for your fantastic work!

Chatelet

In their humanities lessons Chatelet have been learning about the Romans. Following this they have attempted to recreate Italian living (the pizza went down a treat!). They also channelled their 'inner bake-off' by decorating cupcakes in their Art lesson.

The winner of the house point competition this week is:

Effra

Congratulations to them for winning and well done to all students for their hard work over the week.
