

Week Gone/Week Ahead - 9th July 2021 Centre Academy London

Dear Parents/Carers, Students and Staff,
I really have just one thing to say today, and that is
Thank You.

Thank you to our students: leaving Centre Academy London is such a difficult thing to do and this is due to our students. It has been a privilege to spend time with them and watch their progress. Even in a year such as this, they have helped immeasurably with their enthusiasm, hard work, humour and willingness to try new things.

Thank you to our parents: it takes both school and home working together to ensure our students meet their potential. Especially this year with the complexities of lockdown and Learning from home. We genuinely could not have done it with you.

Thank you to the CAL Staff: they are the most dedicated and caring group of professionals I have ever worked with. Their support to students – and to me – has been invaluable.

Thank you to Ms Lee-Douglas: having spent time with our new Head of School over the last month, I know I am leaving the School in safe hands, which makes a hard decision feel much easier.

I hope that you all have a wonderful summer and thank you all for making such a difficult year so successful.

Miss Maddison

From Ms Lee-Douglas

Hello everyone. I consider myself very fortunate to be the new Head of School and I have been so impressed not only by the wonderful students but also the amazing dedication and commitment shown by staff to ensure this is a happy and harmonious place to learn. I look forward to meeting you all in the new academic year, but until then, enjoy your summer break!
