

Week Gone/Ahead – 3rd November 2021

Centre Academy London (CAL)

Dear Parents/Carers, Students & Staff,

We are now in the final week and it has flown so fast! I am extremely grateful to my sterling staff for their hard work and efforts in supporting the students to settle back into a routine and ready to learn following the pandemic pandemonium. Most students have quickly adjusted back into the routine but there are a few that need our continued support and encouragement to do so. It has not been a positive experience for all our students and for some it will take a little longer.

Supercold

The Supercold has had a significant impact on our staffing and the staff who are not unwell are covering lessons in addition to their own workload. This is whilst they are also completing end of term reports! They have been simply amazing but we do realise that this has meant we are a little behind with correspondence. Thank you for your understanding and bear with us until we are a full complement again.

What if?...

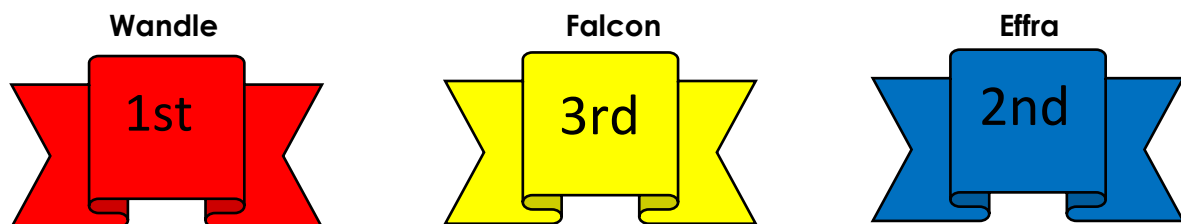

As I wrote to you last week, the government are discussing staggered entry for the return to school in January 2022. If this happens, it will inevitably disrupt the learning of our students and working patterns of our parents. At present, I hope we can all return on **Wednesday 5th January 2022**.

If we are to put in additional measures, my preferred plan is not a staggered entry but to revert to bubbles for three days: complete two rounds of testing, staggered breaks and lunch and then as normal on Monday 9th January 2022. Please keep an eye on your emails leading up to our return and I will update you either way.

Reports & Christmas card

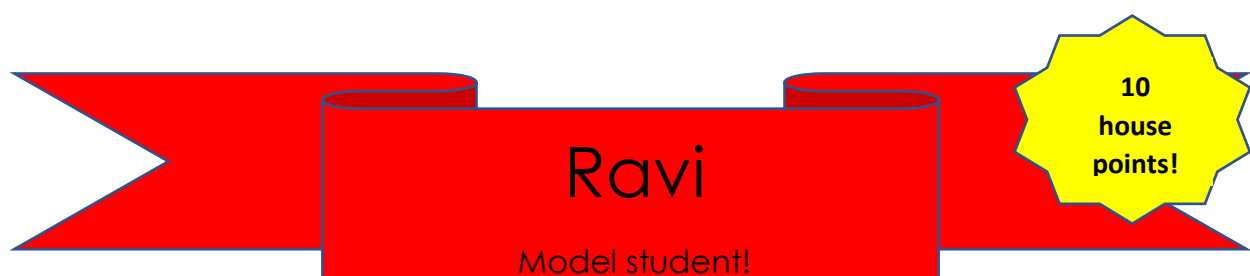

Look out for your child's school report which we hope to post out on Friday. Accompanying it will be the winning Christmas card entry designed by Sonny.

House tokens and Kindness award

Well done Wandle! Mmm... I wonder who are the pizza winners for the end of term?

Head of School Award

Ravi is one of those students who is always helpful and polite. He works hard and tries his best and is a good role model for the younger students. Fantastic work Ravi!

Mrs Schwirtz has been having some festive fun with the students!

Christmas Jumper Day

Traditionally, the last Friday before Christmas is our Christmas Jumper Day and we are encouraging the students to join in the festive fun and donate to the **Save the Children Fund** at the same time. If you wish to donate to this worthy cause, please send in your donations in a named sealed envelope.
