

Week Gone/Ahead – 10th June 2022

Centre Academy London (CAL)

Dear Parents/Carers, Students & Staff.

What a busy week we have had! But it has been another good week. We continue to be impressed with the behaviour and positive attitude of the students taking examinations and we sincerely hope that their results reflect all their hard work! However, it is not all work and no play. Here is a flavour of our week.

House tokens

House	Up to last week	This week- June 10, 2022

East Soar Presentation Thursday 9th June

Thank you to the parents who came to see all the lovely photographs from our residential trip to East Soar last night.

Thank you also for the lovely comments about my staff! They were touched by your gratitude. However, there were some funny comments made too. One parent noted that in all the photographs shown, she only saw her son change his clothes once! As my Brownie Leader used to say "Muck keeps you warm!"

Note to staff: we need to check clothing next year!

For those of you who were unable to come to the presentation, we will put up a display in our school so you can pop in one day and look. There are some lovely ones of your children and it would be a shame to miss seeing them. I'll keep you posted.

Trips Galore!

Dare I say it, but now that the pandemic is hopefully over, we are venturing out as much as possible to take advantage of the good weather and the amazing museums and facilities around us.

Not only did the students go to the Science Museum today (photos to follow next week) but we have the Horniman Museum and Gardens, London Aquarium and Kew Gardens to look forward to and visit soon. Dates at the bottom of the newsletter.

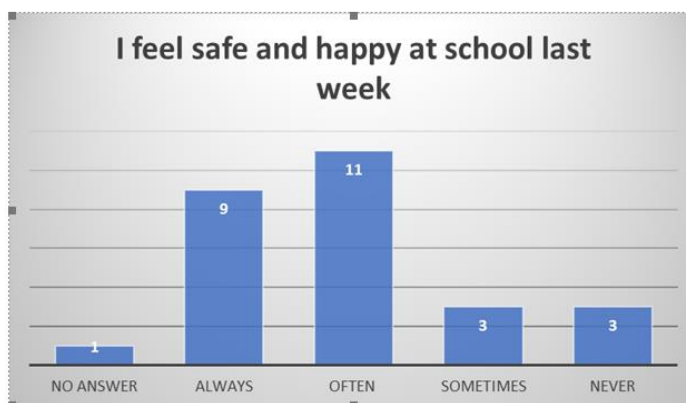

Our proprietors, the Murphy family, have kindly paid for the cost of the trip to Kew Gardens for all our staff and students. They too recognise the importance of positive mental health and this day is for everyone to enjoy the fresh air and the beautiful surroundings of Kew Gardens. After such a difficult few years, I feel we all deserve it.

Student Mental Health Survey

Talking of Mental Health. I promised you some feedback from our Student mental health survey conducted in May. Mr Winship and Ms Shaker have kindly put the results into a report, which I will share with you, bit by bit, each week until the end of the term. The full report will then be available on our Parent Teams. Please bear in mind, not all our students completed the survey on that day but it is still useful to explore.

1. I feel safe and happy a school last week

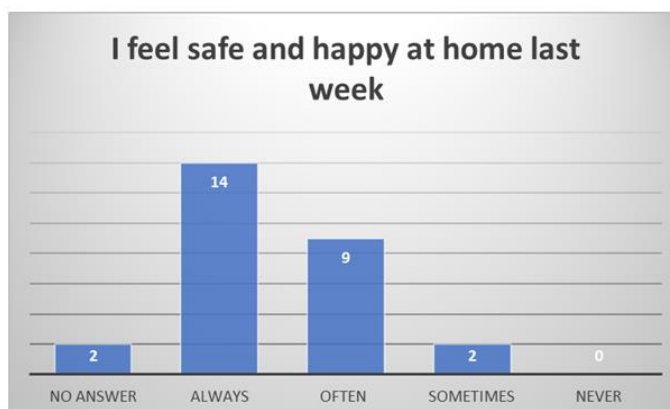

No answer	1
Always	9
Often	11
Sometimes	3
Never	3

A good start proportion of students are happy but we are mindful of the 6 students who are sometimes or never feel happy. That is why we have mentors and why we keep in touch with you, if we suspect a student is not happy.

2. I feel safe and happy at home last week

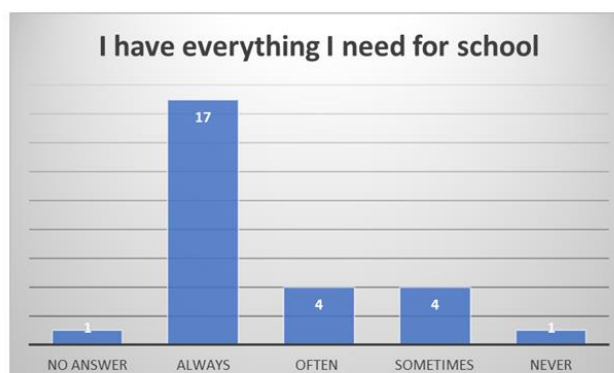

No answer	2
Always	14
Often	9
Sometimes	2
Never	0

Good to see this result! However, our safeguarding team are keeping an eye out for those two who do not feel safe or happy at home.

3. I have everything I need for school

No answer	1
Always	17
Often	4
Sometimes	4
Never	1

This is interesting, as we provide everything that they need at school or is it **for** school that they need? Our School Council will investigate this further. More to follow next week.

An advert from Mr Dorjee! Don't forget the Science Fair coming soon!
