

# Homework Schedule

Homework is due a week from set date and should be a maximum of 30 minutes for each subject (unless instructed otherwise by subject teacher)

Homework should be accessible and easily done without a teacher e.g., completion of work, using our online platforms for Maths and English (Spell Zone, Manga High, Dr. Frost, and Lexia), revision/recap material to consolidate learning, wider reading on a topic that is relevant to your lesson.

Staff have taken into consideration that not all students have access to a laptop or mobile 'phone.
